

Ryan & Labiba's GPEP Rep Manifesto

Who are we?

- We are Ryan & Labiba - 2 fun loving GPEPs, who want to make the incoming GPEPs have the best time possible.
- Ryan has held roles as Charities Officer for his last student union as well treasurer for the hockey team and captain of the mixed hockey team. All of these give him experience in leadership, event organization and integration of different people in to one group.
- Labiba has been involved heavily with charity roles within her old university such as organizing fundraisers and large events for charity, alongside being a mentor within the university for younger years.

What do we bring to the role?

- We have a total 28 years of living in London, so we know where we can host loads of different events.
- Given our differing cultural backgrounds, we are able to easily cater to and think of drinking and non-drinking events to ensure that no one feels isolated due to their preferences.
- We are committed to this role, organised, professional and approachable, which coupled with our communication skills allows us to really provide the best to this role.
- We love such a wide array of activities and vibes from Wednesday Guy's Bar to Spoken Word Poetry events, allowing us to cater to the broadest group of incoming GPEPs as possible.

- We'll continue the GPEP families, Whatsapp and Facebook groups.
- We also look to provide sessions on the course structure, anatomy spotter and tooth morphology revision as well as revision for exams, giving the GPEPs and anyone else who wants to be a part of the session the best chance at passing exams first time round.

“Why do we even need GPEP Reps?”

- Starting as a GPEP is a really daunting experience, especially when you have to try and integrate in to a year group of students who have already known each other for a year.
- We feel this year that the GPEPs didn't really get to know the undergraduates properly for quite a while and we'd hope organising socials with the whole year group and the GPEPs early on will help improve that integration.
- To provide welcome packs, revision guides and general advice for GPEPs coming to join us.
- Also it gives all of you a chance to see more of our pretty faces all over uni – and who doesn't want that eh?!
