

TOBY ROBERTS

Good day friends,

It's your friendly VP candidate Toby here to tell you why he's the best man for the job. We're all very busy at the moment so I will keep this as concise as possible for you fine people!

Continue to deliver fantastic CPD accredited lectures as part of the DentSoc Talk series

Elective Support – once the lovely ladies and gents currently in BDS4 return from their ventures abroad, I will aim to use their newfound knowledge to aid us as we plan our own adventures. I will help connect people in our year with those who have undertaken electives in the area you want to go!

Socials – more inclusive socials for everyone to attend! Continue to provide the fantastic nautical and public-house crawl socials we already get to enjoy

Sports – after the resounding success of the football tournament last December, I hope to make this event bigger and better; deliver tournaments for other sports, not all of us play football!

Talks from alumni undertaking DF1/2 for BDS4/5 students, to help us know what to expect when we fly the nest from Guy's

Online payments – if you want tickets to events but don't want to talk to the lovely people on the committee, vote for me!

But why Vote Roberts?

Responsible and Enthusiastic – as a Karate Instructor, I have trained people of all ages, giving me a wide range of communication skills. I am approachable and passionate with what I do. Plus I can keep you safe!

Team Player – I have played football for my county, as well as representing our fine university for both the KCL Golf Team and the GKT Men's Football Team

Leader – I was literally the captain of the boat at this year's DentSoc Boat Party

Confident Public Speaker – I was Joseph in my Year 3 Nativity Play; what more do I need to say

FOR

VICE PRESIDENT

OF KCL DENTSOC
